# Mandate

The Securities and Exchange Commission (SEC) or the Commission is the national government regulatory agency charged with supervision over the corporate sector, the capital market participants, and the securities and investment instruments market, and the protection of the investing public. Created on October 26, 1936 by Commonwealth Act (CA) 83 also known as The Securities Act, the Commission was tasked to regulate the sale and registration of securities, exchanges, brokers, dealers and salesmen. Subsequent laws were enacted to encourage investments and more active public participation in the affairs of private corporations and enterprises, and to broaden the Commission's mandates. Recently enacted laws gave greater focus on the Commission's role to develop and regulate the corporate and capital market toward good corporate governance, protection of investors, widest participation of ownership and democratization of wealth.

SEC is the registrar and overseer of the Philippine corporate sector; it supervises more than 600,000 active corporations and evaluates the financial statements (FS) filed by all corporations registered with it. SEC also develops and regulates the capital market, a crucial component of the Philippine financial system and economy. As it carries out its mandate, SEC contributes significantly to government revenues.

With the growing number of corporations and other forms of associations that SEC supervises and monitors, and given the evolving nature of transactions where the corporate vehicle is being used to defraud the investing public, as well as the ever dynamic character of the capital market, SEC must progressively perform its critical role as the prudent registrar and supervisor of the corporate sector and the independent guardian of the capital market.

# Vision

By 2025, the SEC with its driven, highly-trained, agile and customer-centric team of professionals, equipped with digital technology and adaptive registration and data management systems, is the premier investor champion and catalyst of a deep, broad and informed investor-based capital market and more empowered business sector considered among the best in the Southeast Asian (SEA) Region.

# 1. Filing of Petition and Appeal

This service details the procedure on how a citizen can file Petition and Appeal.

<b>Office or Division:</b>	Office of the General Counsel (OGC)
<b>Classification:</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, and SEC 2016 Rules of Procedure</p> <p>Historically, Section 3 of Republic Act (RA) No. 9485 (“Anti-Red Tape Act of 2007”) states that those performing judicial, quasi-judicial and legislative functions are excluded from its coverage. When RA No. 9485 was amended by RA No. 11032 (“Ease of Doing Business and Efficient Government Service Delivery Act of 2018”), quasi-judicial function is still deemed excluded because Section 3 of the latter Act provides that it shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act.</p> <p>“Government Service” is defined in Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>Relatively, pertinent provisions under Title XVI of the Revised Corporation Code are quoted as follows:</p> <p>“Sec. 154. <i>Investigations and Prosecution of Offenses.</i> – The Commission may investigate an alleged violation of this Code, or of a rule, regulation, or order of the Commission.</p> <p style="text-align: center;">xxx xxx xxx</p> <p>Sec. 156. <i>Cease and Desist Orders.</i> – Whenever the Commission has reasonable basis to believe that a person has violated, or is about to violate, this Code, a rule, regulation, or order of the Commission, it may direct such person to desist from committing the act constituting the violation.</p>

	XXX XXX XXX	
	<p>Sec. 158. <i>Administrative Sanctions.</i> – If, after due notice and hearing, the Commission finds that any provision of this Code, rules or regulations, or any of the Commission’s orders has been violated, the Commission may impose any or all of the following sanctions, taking into consideration the extent of participation, nature, effects, frequency and seriousness of the violation:</p> <p style="text-align: center;">XXX XXX XXX.”</p> <p>Under Sec. 5(l) of the Securities Regulation Code, the Commission has also the power to issue <i>subpoena duces tecum</i> and summon witnesses to appear in any proceedings of the Commission and in appropriate cases, order the examination, search and seizure of all documents, papers, files and records, tax returns, and books of accounts of any entity or person under investigation as may be necessary for the proper disposition of the cases before it, subject to the provisions of existing laws.</p> <p>Based on the foregoing provisions, the SEC has inherent quasi-judicial power which authorizes it to hear and decide cases in the performance of its duty and enforce its decisions in accordance with law.</p> <p>It must be noted that administrative adjudication, or the authority to hear and decide cases pursuant to the laws implemented by an administrative agency, DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, administrative adjudication DOES NOT fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e. applications for any privilege, right, reward, license, clearance, etc.).</p>

This service details the procedure on how a citizen can file a Request for Legal Opinion.

<b>Office or Division:</b>	<b>Office of the General Counsel (OGC)</b>
<b>Classification:</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, Supreme Court Ruling on Gamboa vs. Teves (G.R. No. 176579, 9 October 2012), and SEC Memorandum Circular No. 15, s.2003.</p> <p>Section 3 of Republic Act (RA) No. 11032 (“Ease of Doing Business and Efficient Government Service Delivery Act of 2018”) provides that said Act shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act. “Government Service” is defined by Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>It must be noted that the issuance of a Legal Opinion, which is a mere interpretation of the law and is neither conclusive nor controlling (Gamboa v. Teves, <i>ibid</i>), DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, issuance of a Legal Opinion DOES NOT fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e. applications for any privilege, right, reward, license, clearance, etc.).</p>

<b>Office or Division:</b>	Office of the General Counsel
<b>Classification:</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, and SEC 2016 Rules of Procedure.</p> <p>Historically, Section 3 of Republic Act (RA) No. 9485 states that those performing judicial, quasi-judicial and legislative functions are excluded from the coverage of the said Act, also known as the Anti-Red Tape Act of 2007. When RA No. 9485 was amended by RA No. 11032, quasi-judicial function is still deemed excluded because Section 3 of the latter Act provides that it shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act. “Government Service” is defined by Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>Relatively, pertinent provisions under Title XVI of the Revised Corporation Code are quoted as follows:</p> <p>“Sec. 154. <i>Investigations and Prosecution of Offenses.</i> – The Commission may investigate an alleged violation of this Code, or of a rule, regulation, or order of the Commission.</p> <p style="text-align: center;">XXX XXX XXX</p> <p>Sec. 156. <i>Cease and Desist Orders.</i> – Whenever the Commission has reasonable basis to believe that a person has violated, or is about to violate, this Code, a rule, regulation, or order of the Commission, it may direct such person to desist from committing the act constituting the violation.</p> <p style="text-align: center;">XXX XXX XXX</p>

	<p>Sec. 158. <i>Administrative Sanctions.</i> – If, after due notice and hearing, the Commission finds that any provision of this Code, rules or regulations, or any of the Commission’s orders has been violated, the Commission may impose any or all of the following sanctions, taking into consideration the extent of participation, nature, effects, frequency and seriousness of the violation:</p> <p style="text-align: center;">xxx xxx xxx.”</p> <p>Under Sec. 5(l) of the Securities Regulation Code, the Commission has also the power to issue <i>subpoena duces tecum</i> and summon witnesses to appear in any proceedings of the Commission and in appropriate cases, order the examination, search and seizure of all documents, papers, files and records, tax returns, and books of accounts of any entity or person under investigation as may be necessary for the proper disposition of the cases before it, subject to the provisions of existing laws.</p> <p>Based on the foregoing provisions, the SEC has inherent quasi-judicial power which authorizes it to hear and decide cases in the performance of its duty and enforce its decisions in accordance with law.</p> <p>It must be noted that administrative adjudication, or the authority to hear and decide cases pursuant to the laws implemented by an administrative agency, DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, administrative adjudication does not fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e applications for any privilege, right, reward, license, clearance, etc.).</p>

## 8. Filing of Request for Legal Opinion

<b>Office or Division:</b>	Office of the General Counsel	
<b>Classification:</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, Supreme Court Ruling on Gamboa vs. Teves (G.R. No. 176579, 9 October 2012), and SEC Memorandum Circular No. 15, s.2003.</p> <p>Section 3 of Republic Act (RA) No. 11032 (“Ease of Doing Business and Efficient Government Service Delivery Act of 2018”) provides that said Act shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act. “Government Service” is defined by Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>It must be noted that the issuance of a Legal Opinion, which is a mere interpretation of the law and is neither conclusive nor controlling (Gamboa v. Teves, <i>ibid</i>), DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, issuance of a Legal Opinion DOES NOT fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e. applications for any privilege, right, reward, license, clearance, etc.).</p>

# 1. Filing of Verified Petition

This service details the procedures in the filing of the Verified Petition

<b>Division</b>	<b>Corporate Adjudication Division (CAD)</b>
<b>Classification</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, and SEC 2016 Rules of Procedure.</p> <p>Historically, Section 3 of Republic Act (RA) No. 9485 (“Anti-Red Tape Act of 2007”) states that those performing judicial, quasi-judicial and legislative functions are excluded from its coverage. When RA No. 9485 was amended by RA No. 11032 (“Ease of Doing Business and Efficient Government Service Delivery Act of 2018”), quasi-judicial function is still deemed excluded because Section 3 of the latter Act provides that it shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act.</p> <p>“Government Service” is defined in Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>Relatively, pertinent provisions under Title XVI of the Revised Corporation Code are quoted as follows:</p> <p>“Sec. 154. Investigations and Prosecution of Offenses. – The Commission may investigate an alleged violation of this Code, or of a rule, regulation, or order of the Commission.</p> <p style="text-align: center;">xxx xxx xxx</p> <p>Sec. 158. Administrative Sanctions. – If, after due notice and hearing, the Commission finds that any provision of this Code, rules or regulations, or any of the Commission’s orders has been violated, the Commission may impose any or all of the following sanctions, taking into consideration the extent of participation, nature, effects, frequency and seriousness of the violation:</p>

	<p style="text-align: center;">xxx xxx xxx.”</p> <p>Under Sec. 5(l) of the Securities Regulation Code, the Commission has also the power to issue subpoena duces tecum and summon witnesses to appear in any proceedings of the Commission and in appropriate cases, order the examination, search and seizure of all documents, papers, files and records, tax returns, and books of accounts of any entity or person under investigation as may be necessary for the proper disposition of the cases before it, subject to the provisions of existing laws.</p> <p>Based on the foregoing provisions, the SEC has inherent quasi-judicial power which authorizes it to hear and decide cases in the performance of its duty and enforce its decisions in accordance with law.</p> <p>It must be noted that administrative adjudication, or the authority to hear and decide cases pursuant to the laws implemented by an administrative agency, DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, administrative adjudication DOES NOT fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e. applications for any privilege, right, reward, license, clearance, etc.).</p>

This service details the procedure for applying for a Two-Party Action/Complaint.

<b>Division &amp; Department/Office</b>	<b>Corporate Adjudication Division, Company Registration and Monitoring Department (CAD)</b>
<b>Classification</b>	<p>Highly Technical within the context of Section 5 of the Securities Regulation Code, 2015 Implementing Rules and Regulations of the Securities Regulation Code, Section 179 of the Revised Corporation Code, and SEC 2016 Rules of Procedure.</p> <p>Historically, Section 3 of Republic Act (RA) No. 9485 (“Anti-Red Tape Act of 2007”) states that those performing judicial, quasi-judicial and legislative functions are excluded from its coverage. When RA No. 9485 was amended by RA No. 11032 (“Ease of Doing Business and Efficient Government Service Delivery Act of 2018”), quasi-judicial function is still deemed excluded because Section 3 of the latter Act provides that it shall apply to all government offices that provide services covering business and nonbusiness related transactions as defined in said Act.</p> <p>“Government Service” is defined in Section 4 of RA No. 11032 as the process or transaction between applicants or requesting parties and government offices or agencies involving applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests which are acted upon in the ordinary course of business of the agency or office concerned.</p> <p>Relatively, pertinent provisions under Title XVI of the Revised Corporation Code are quoted as follows:</p> <p>“Sec. 154. Investigations and Prosecution of Offenses. – The Commission may investigate an alleged violation of this Code, or of a rule, regulation, or order of the Commission.</p> <p style="text-align: center;">xxx    xxx    xxx</p>

	<p>Sec. 158. Administrative Sanctions. – If, after due notice and hearing, the Commission finds that any provision of this Code, rules or regulations, or any of the Commission’s orders has been violated, the Commission may impose any or all of the following sanctions, taking into consideration the extent of participation, nature, effects, frequency and seriousness of the violation:</p> <p style="text-align: center;">xxx xxx xxx.”</p> <p>Under Sec. 5(l) of the Securities Regulation Code, the Commission has also the power to issue subpoena duces tecum and summon witnesses to appear in any proceedings of the Commission and in appropriate cases, order the examination, search and seizure of all documents, papers, files and records, tax returns, and books of accounts of any entity or person under investigation as may be necessary for the proper disposition of the cases before it, subject to the provisions of existing laws.</p> <p>Based on the foregoing provisions, the SEC has inherent quasi-judicial power which authorizes it to hear and decide cases in the performance of its duty and enforce its decisions in accordance with law.</p> <p>It must be noted that administrative adjudication, or the authority to hear and decide cases pursuant to the laws implemented by an administrative agency, DOES NOT involve approval of applications for any privilege, right, reward, license, clearance, permit or authorization, concession, or for any modification, renewal or extension of the enumerated applications or requests. As such, administrative adjudication DOES NOT fall within the ambit of Section 3 of RA No. 11032 because it is not the “Government Service” contemplated in Section 4 thereof and is therefore, not subject to the prescribed processing times for Government Services under Section 9 of the same Act. We note that Section 9 of RA No. 11032 is entitled “Accessing Government Services”, which clearly applies to “Government Service” as defined in Section 4 thereof (i.e. applications for any privilege, right, reward, license, clearance, etc.).</p>
